## Collection of COVID-19 Vaccination Record

(Circular No. E027/2022-2023)

Dear Parents/Guardians,

To maintain a safe and healthy learning environment, the government has urged citizens to receive the COVID-19 vaccination as soon as possible. The school would now like to collect the vaccination record of students for submission to the EDB. Kindly fill in the reply slip to update your child's vaccination record **before 20<sup>th</sup> September, 2022**. **For any update in vaccination record in the future, kindly hand in the latest vaccination record to class teachers for submission to the school nurse.**

Expert advisors claims that vaccination is the most effective way to protect against COVID-19 and can reduce the risk of severe cases and fatalities. If parents would like to book a vaccination date for your child, kindly reserve directly at the COVID-19 vaccination scheme website, **home vaccination service is also available for reservation if necessary**. **The QR code for the website is as follows:**

Circular No. E027/2022-2023(please return to the school nurse)

To: Saviour Lutheran School

I am the parent of \_\_\_\_\_ of class \_\_\_\_\_. I have read and understood the circular “Collection of COVID-19 Vaccination Record”.

**1. Up until the date of 16<sup>th</sup> September, 2022, my child:**

has received the required number of doses of COVID-19 vaccine. Number of doses received: \_\_\_\_\_. (Last vaccination date: \_\_\_\_\_ (dd/mm/yyyy))

**Persons who have received the required number of doses of COVID-19 vaccine are:**

1. All students aged between 5 and 11 years old who received BioNTech vaccine: should have received two doses of COVID-19 vaccine; or
2. Except the students mentioned above, all persons who received Sinovac vaccine, or persons aged 12 years old or above who received BioNTech vaccine, provided they have not been infected with COVID-19: should have received three doses of COVID-19 vaccine; or
3. Students having received two doses of vaccine on or before 1<sup>st</sup> October, 2022, who are still within the time interval waiting to receive the third dose of vaccine will be regarded as meeting the respective vaccination requirements; or
4. A person who has been infected with COVID-19, who requires one less dose of COVID-19 vaccine than others.

**\*\* (If you have answered question 1, please skip question 2 and 3.) \*\***

**2. Up until the date of 16<sup>th</sup> September, 2022, my child has not received the required number of doses of COVID-19 vaccine, he/she:**

has received \_\_\_\_\_ dose(s) of COVID-19 vaccine.

(Last vaccination date: \_\_\_\_\_ (dd/mm/yyyy))

is waiting for the 1<sup>st</sup> dose of COVID-19 vaccine or having made an appointment to receive the 1<sup>st</sup> dose of COVID-19 vaccine.

(Last vaccination date: \_\_\_\_\_ (dd/mm/yyyy))

has never received / made an appointment for COVID-19 vaccine.

**3. Reasons for not receiving the required number of doses of COVID-19 vaccine:**

concern about the side effects of the vaccine

disagree that vaccination can protect against the virus

diagnosed before vaccination and deem antibodies adequate

consider the epidemic to be easing and sense no urgency to receive additional doses of the vaccine

concern that the child is too young and not suitable to receive COVID-19 vaccine

no spare time to arrange children to receive COVID-19 vaccine

unclear of the means to receive COVID-19 vaccine

others: \_\_\_\_\_

persons who have never received/made an appointment for COVID-19 vaccine due to COVID-19 infection (Infection date: \_\_\_\_\_ (dd/mm/yyyy))

Parent's signature: \_\_\_\_\_

Date: \_\_\_\_\_
