Student Activities Support Grant (Circular No.: E041/2021-2022)

Dear Parents/Guardians,

The school has received the Student Activities Support (SAS) Grant from the EDB this year, which provides financial support for students in need to take part in life-wide learning activities.

The grant aims to support primary and secondary school students **in receipt of either the CSSA or the STAS full-grant, or students who are deemed to be facing financial difficulties**. When holding life-wide learning activities that require a fee, eligible students may apply for the **Student Activities Support Grant** as their payment of the activity fee. The amount of fee exempted will depend on the amount disbursed to students. Since the fee for each activity is different, the amount of fee exempted will also vary. Kindly refer to the school notices on learning activities and return relevant reply slips accordingly.

Thank you for your attention. For any enquiries, please contact class teachers or social worker Ms. Fok.

Yours faithfully,
