

Saviour Lutheran School

Power Outage for Inspection of School Electrical Installation

(Circular No.: E087/2023-2024)

Dear Parents/Guardians,

A regular inspection once every five years for the school electrical installation will be conducted on 16/2/2024 (Fri). The estimated inspection time will be 9:30-17:00. For testing and inspection purposes, there will be power cuts for all rooms and facilities on campus at different times, thus the telephone service (27293929) at the General Office will be suspended at times. Thank you for your attention and understanding.

Yours faithfully,

Rev. Yeong Ling Wui

Principal

1st February, 2024
