Survey on the Collective Purchase of Winter School Jackets (Circular No.: E118/2025–2026)

Dear parents, as the supplier of the school's winter jacket has informed us that they will no longer be able to supply school jackets to the school starting from the next academic year, the school will need to appoint a new jacket supplier this year. As most school uniform suppliers only accept bulk orders, the school has finally reached an agreement with Victoria Uniform, which is willing to supply winter school jackets for our students at a reasonable price.

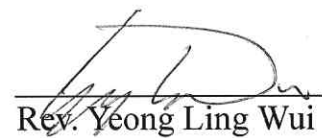

The school now plans to arrange uniform measurements for students and place a collective order for winter school jackets with Victoria Uniform. The jacket style is as follows: a dark navy-blue waterproof quilted winter jacket, hand-washable or machine-washable, featuring a turn-down collar, slant pockets, a durable zipper with large dark navy-blue plastic buttons, and a detachable fleece lining. The letters "SLS" will be embroidered on the upper left front of the jacket.

As the production of the jackets requires time, and in order to ensure delivery before the winter season, **parents are requested to complete and return the reply slip below by 12th June**. Please ask your child to submit it to the class teacher for collection so that measurement arrangements and follow-up procedures can be made. Based on parents' responses, the school will arrange measurements for students who intend to order winter school jackets through the school. **A separate notice will be issued informing parents of the jacket size and price. The order will only be placed after parents have signed and returned the Order Confirmation Form.** The uniform supplier has quoted the following prices:

Size	☐ 10	☐ 12	☐ 14	☐ 16	☐ 18	☐ 20	☐ 22
Chest Width (inches)	39"	41"	43"	45"	47"	49"	51"

Yours faithfully,

Rev. Yeong Ling Wui
